

THE 124 CLUB PATRONAGE COMMITMENT

PO Box 208 – Rocky Hill, NJ 08553

The Club relies very heavily on the patronage of those whose lives, or the lives of their loved ones, have been "unaccountably transformed" by way of 12 Step Recovery. Our annual operating expenses greatly exceed our income from tenant meeting rentals. Patronage is our only other source of regular income. Please help us continue to abide by our vital mission. Please become a generous Patron today!

I understand that my donation entitles me to all Club Privileges so long as I am in good standing as to personal conduct and that my donation is paid promptly. Patrons in good standing renew their commitments no later than January 31 of each calendar year.

The 124 Club of Princeton was founded in January of 1988 to provide a meeting place for people recovering from addiction. The Club provides a comfortable atmosphere, warmth of fellowship and a safe environment for creative growth and discovery. Besides a secure meeting space, we provide recovery literature, medallions noting sober time and space for special meetings, events, and other sober social gatherings.

BENEFITS FOR ONGOING DONORS: A warm, clean and sober atmosphere with plenty of talkers and listeners, as well as friendly conversation beneficial to newcomers and old-timers alike. The 124 Club is open every day of the year. Hours of operation correspond to meeting times and activities. More info can be found at: the124club.com

There are 30+ meetings a week, with room for additional meetings and activities. The Club has space to accommodate special events, fund raisers and anniversary celebrations. There are bulletin boards for posting Club news, local recovery information and tables with racks of recovery literature. The Club offers all meeting attendees a full opportunity for creative expression, activity and service. With patronage, you will be able to vote for the election of Board members to handle various 124 Club issues.

MATCHING FUNDS: We encourage 124 Club attendees whose employers offer matching gift programs to take advantage of this excellent opportunity to get more "bang to their donation buck" by applying to have gifts to the Club matched. Please check with your employer for the appropriate forms and apply to have your donation matched.
